

College Fly-In Programs - Fall 2011 (Summer Programs in Parentheses)

Websites, program dates, application deadlines for various college fly-in programs.

Fly-In Program = All expense paid trip to visit a college, meet students, go to a class, take a tour, stay overnight in dorm etc. You must apply for the visit (but there is no obligation to apply to the college). The college will pay for your airfare, lodging, and meals. This is the BEST way to get a feel for a college and help you decide whether you'd like to apply. We highly recommend that you apply for a few of these fly-in programs.
